- Meaningful and relatable service
- Teamwork

Who we support

Our broad offering supports private individuals, small and medium businesses, public-sector organisations and larger corporate customers. Key industry focus areas include government, education, retail and financial services.

A partnership mindset

We walk the journey with our clients by understanding their expectations, responding flexibly and delivering the right quality at the right time.

Products and services

Our services are aligned to the evolving needs of modern workplaces. We combine core supply categories with broader facilities and trade-support needs as part of tailored customer solutions.

ICT hardware and equipment

Desktops and notebooks; servers and storage; printers and scanners; projectors; cameras; UPS solutions; wireless equipment; routers and network switches; spares and parts.

Software licensing

Microsoft Windows and Office; Adobe; security software; and backup software.

Office supplies and consumables

Stationery; office furniture; snapper frames and posters; cleaning products; office consumables; and hygiene products.

Branding and corporate gifts

Headwear; corporate clothing; diaries and calendars; executive gifts; document folders; workwear and safety PPE; engraving; and embroidery.

Value-adding support

Complementary workplace, facilities and trade-support requirements coordinated as part of a practical, tailored procurement solution.

Experience and customer focus

Carylldine has successfully supported customers including the Department of Higher Education, Basic Education, SASSETA, Mokatumelo Technologies, Mpumalanga Department of Health, Gauteng Treasury and the Department of Public Works.

Partner-led delivery

We form partnerships that help us deliver value and extend the quality, range and responsiveness of the solutions available to our customers.
